Dear Connecticut Believer:

God bless you abundantly in the power and love of our lord and savior, Jesus Christ.

The month of April is a spiritually invigorating and exciting time for all of us in the state of Connecticut. The new Power for Abundant Living class requirements go into effect this month as we move ahead into our great nationwide Resurrection Power for Abundant Living classes starting April 12th.

As the excitement mounts for our nationwide classes, all of us are preparing our hearts and minds for receiving communion in our Twig fellowships. As we remember what the Lord Jesus Christ accomplished for us by his broken body and shed blood, we will receive the benefits to our lives which he so lovingly paid for with his life.

On Sunday, April 11, Rev. Vince Finnegan, our Worldwide Outreach coordinator, will be the guest speaker at our Limb meeting. Rev. Finnegan will also be present at the Northeast Region Military Advance hosted by the Limb of Connecticut during the Easter weekend.

In addition to all these wonderful times of receiving the love and power of God's Word I know many of us have been involved with our new Intermediate classes on Power for Abundant Living. I am sure that the boldness and accuracy of our worship manifestations have increased many fold as a result of our involvement.

Many of us also are involved in special commitments to God in getting out to our communities and giving the power, love and Word of God. What an exciting time of giving and receiving we are involved in. I thank God from the depth of my heart for you and your faithfulness to His Word and this ministry.

I trust that you are reading Jesus Christ Our Passover in light of the suggested reading schedule. At a time when tradition rules the minds and hearts of most men, our study of Jesus Christ Our Passover will give us the clarity and truth of what really happened and what was accomplished for us by Jesus Christ during his last week on earth and the time following until Pentecost.

I would like to quote Dr. Wierwille from Page ix from the Preface to Jesus Christ Our Passover to express my heart on this exciting study.

"The two-month period from before Passover to the day of Pentecost is the apex and fulcrum of all human experience and spiritual history to date."

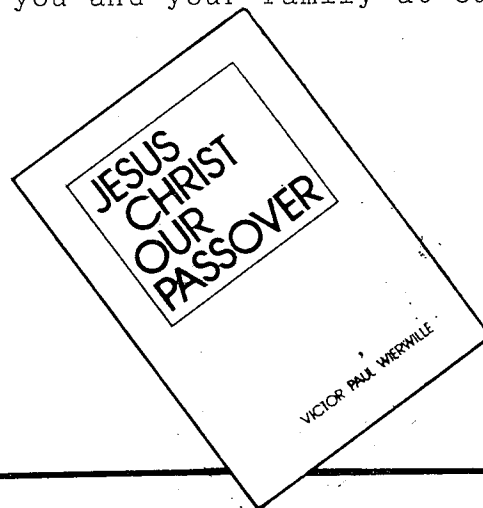

We really have something to study. We really have something to share with the world. What a privilege, what joy to be involved in receiving and giving such spiritual treasures. These are very exciting times and we are all involved.

I'm looking forward to seeing you and your family at our Easter Limb meeting.

In His love,

Steve Strzepek
