Dear Believers of Connecticut,

God's abundant blessings to each one of you in the precious name of Jesus Christ our lord!

As graduates of the Power for Abundant Living foundational class, one thing we all desire to do is to live more than abundantly in every category of our lives. The topic of abundance is one that we frequently hear in our Twigs and in conversations with other believers and rightfully so because that is God's will for us. The key to obtaining God's abundance is the first word in the foundational class title and that word is power. We need to operate God's power to manifest God's abundance.

In the book, Receiving The Holy Spirit Today, the following quotation gives us this truth, "The primary purpose of receiving the holy spirit into manifestation is to give us power for abundant living." It is only in the operation of the gift of holy spirit that we have the necessary power to claim all of God's abundance in our lives. Therefore, we need to continually be learning more about this power as well as believing to manifest it each day in our lives. The Power for Abundant Living series (foundational, intermediate, and advanced classes) is the greatest way to learn the accurate knowledge and utilization of all nine manifestations. If you have not completed this series as of yet, you should be fervently desiring and planning to do so. If you have already taken the classes in the series, your desire should be to continue to repeat them with a view to mastering the knowledge contained in them in both doctrine and practice.

The power of the holy spirit within us is there to help us to become more like Christ. His life is our example of how to walk victoriously and abundantly and we have the spiritual power to live the same way.

John 14:12:

Verily, verily, I say unto you, He that believeth on me, the works that I do shall he do also; and greater works than these shall he do; because I go unto my Father.

We can and we should walk each and every day with God's power being manifested in our lives. Have a power-filled and abundant month!

In His love and service,

David S. Daniels
