CONNECTICUT GRAPEVINE

JULY/AUGUST

Dearest Connecticut Saints:

Greetings to you and God bless you in the name of Jesus Christ, our loving lord and complete savior!

How the year has seemed to fly by! Rock of Ages is just around the corner and in just a short time we will start our new ministry year. Time is certainly no respecter of persons and it is up to each individual how they will utilize the time that they have. For many people time must be segmented into lots of different categories and priorities. For us who know and believe the Word, God is not just our first priority but our only priority. We only have one slot for our time and that is how to best serve and please Him. In all that we do, whether it be work, family responsibilities, school or ministry activities, we do our utmost to do it unto the glory of God.

Colossians 3:23:

And whatsoever ye do, do it heartily, as to the Lord, and not unto men.

Believing and doing God's Word certainly simplifies life, doesn't it? And as we continue to clarify the doctrine in our minds, we will simplify the practice in our lives. We cannot get more time because everyone has only 24 hours in each day. However, by keeping God first we can do those things that will please Him and bless our lives, not just now but for all eternity. As we think and carry out our daily activities with this godly logic we will become the best stewards of our time that we can possibly be.

Pam and I have been so very thankful to be able to serve in this state with you this year and we are definitely looking forward to being here for another tremendous year of moving God's Word across our great state. Let's utilize our time in this final month to sprint to the finish line. We'll see you at the Rock!

In His love and service,

Dave
