

January 17, 1978

Dear Corps Member:

It is Tuesday--Corps Night today, January 17, 1978. I awoke at 5:30 this morning and turned on the outside lights at our home, and all the ground was covered so beautifully with diamond-like reflecting snow with the blowing flakes just glittering in the lights. I thought, "Oh, God, how wonderful to be alive this day, to be covered by your beautiful, pure white blanket of love, being clean and covered, and with all the winds blowing it cannot uncover the ground that has been so beautifully covered with 10-12 inches of snow." I thought of Isaiah 1:18, "...though your sins be as scarlet, they shall be as white as snow." Then I thought of the truth that not only do I have a savior with a blanket coverage policy, but I thought of I John 1:7,9, "...Jesus Christ his Son cleanseth us from all sin" and "...from all unrighteousness." Not only is our God in Christ Jesus a blanket coverage for us, but a cleansing agent. How good God is. How beautifully clean one feels when one knows he is God's and when one's fellowship is right on with Him. Isn't life and living exciting! Then, to think that we can help others to become what we are.

The excitement of the day for living is so in my heart this morning because today is "Corps night day," and besides I get the heartwarming joy of writing a letter to you.

Every Tuesday when I awaken, my first thoughts, after God our Father and His wonderful Son, my lord and savior Jesus Christ, are always on the Corps. I get so excited about the day because I know God will again burn the greatness of the accuracy of His fiery Word into my mind and heart to my fullest capacity of receiving. Oh, how I praise God for that inner spiritual depth and awareness.

You are the joy and rejoicing of my heart. You are Corps. When you succeed, I succeed. When you hurt, I hurt; when you cry, I cry; when you rejoice, I rejoice--yes, I Corinthians 12:26 rings a bell in my head and Romans 12:9-21 turns on the blazing "sun" throughout my whole body.

What more can I say than that His Word says it all and that you are a child of God and that you are The Way Corps. Have a great day, week, month, year, life. Let the world see a great man or woman of God again so they can see Christ in you and, in turn, our wonderful heavenly Father. God bless.

Sincerely,
In His service,

Victor Paul Wierwille
