Dear Way Corps:

God bless and Christ's greetings to you on this the first day of spring, 1979. I just returned home to International after being on the "highways for God" for almost six solid weeks, in "Days in the Word" and Corps weekends. The Way Ministry is truly a blue ribbon ministry because we are a sensitive "heart people."

April 5, 1979

Now I am at the Indiana Campus. My times are so busy and sometimes I do not know which way to turn--but I keep "turning."

JUST SOME THOUGHTS I HAD:

The Way makes for a great day.
The high of '79.
Have a great day says The Way.
All mine in '79.
The "mark" of Corps--the real you.
Jesus Christ said, "The works that I do ye
shall do also," so, if Jesus is God, when
we do the work we must be God.
Do-nothing Corps grads. (Don't even have
a Twig--God must have wasted His time.)

THE CORPS WEDDINGS: Why I see them so wonderful. Not a big impersonal circus, but:

1. Very personal.
2. Each family group together.
3. Much less costly for bride and her parents.
4. Less bride, bridegroom and earthly family egotism.
5. In a private wedding the clergyman has to allow almost a whole day for one wedding--think about 100 weddings in that light--over one-half a year spent by the clergy. Is that considerate and loving?
6. It's the Corps household.
7. No greater blessing available.

If we do not live the principles of the Word, God is the loser.
Witnessing is an inner joy--makes one feel so alive.
Purenness of life mixed with innocence and simplicity produces
a spiritual purity and maturity.
Laws are guidelines not hitching posts.
God is bigger than all your excuses.

Uncle Harry Day quotes:

- "I have great need to be needed, so I burned my fear of rejection and failure in the flame of God's acceptance."
- "My heart overflowed in gentle tears."
- "The fire of God's love and purity took all my hurt and fears and not only warmed but melted my heart."
- "I burned the balast of my mind."
- "I was in charge of the 'burning' but it was difficult to speak--heart in my throat--difficult to see--tears of joy in my eyes."
- "You have healed our family joyfully."
- "God is so good I have difficulty keeping my expectations ahead of reality."
- "Someday I will be next to Him as He is next to me now."
- "Right now I am a 'pinkie' in the Body, but this 'pinkie' is going to grow."
- "Footprints on a path remain and well-worn paths turn into roads easier to travel on by every footprint the path contains." Lynn Keyes
- "My interim Corps year at International Headquarters stretches out a lifetime in my mind."

OTHER THOUGHTS I HAVE:

A Way Corps grad represents the abundance of
the Word that The Way Ministry has to offer.
Man's identity crisis.
A Corps grad is prepared for success.
The Way Corps is a "heart builder."
True commitment means involvement.
Momentary expediency not sufficiently redemptive.
A temporary satisfaction is never a solution.
Serving while waiting.
Honesty with wisdom is speaking the truth in love.

America is sick and the last vestiges of the only great Republic ever established is rapidly fading into a democracy or perhaps deteriorating into something worse. How could this ever happen? Perhaps because of your parents and grandparents and now you. Taking freedom for granted does not continue to grant freedom. It is later than you think.

You have only one life to live and give. Give your utmost for His Highest.

Make all your decisions in the glorious light of the Hope.

Sincerely,
In His service,

Victor Paul Wierwille
