To My Way Corps:

God bless and greetings to you this day in His precious name. Yes, it is just a few days before the National and International Memorial. My heart from a man's point of view is heavy and yet I know that the Word of God is the Will of God. But I must write a part of my heart today because you are my Corps.

Since the school of the prophets, the training ministry of the disciples under the Master Teacher, Paul's school of Tyrannus, nothing equals the Way Corps. By God's grace, mercy and love, you and I are a part of that unique group.

I know death is of the devil but thank God you are holding forth LIFE. You are Corps -- You are God's spiritual sharpshooters -- You are God's crack troops. You can endure anything but LIVE to give nothing but His Word.

God and I rely upon you to do the work wherein and whereunto you have been trained. I love you and pray for you and believe with you, but I cannot walk for you. Yet together we can walk as we love God, His Word, His Son.

You can pray for me and love me too.

Tenderly,
In His service,

Victor Paul Wierwille

P.S. In memory of a man who exemplified so much quality and the Word of God which is all pure quality, I will at the first hour of prayer, and the time of the "original outpouring", on this Reformation Sunday, October 30, 1977, "nail" to the door of the church of my birth, the scriptures of truth dealing with "Jesus Christ is Not God".

Pray for me. I pray for you.
