June 1988

Dear Connecticut Believers:

God bless you in the delivering name of our Lord Jesus Christ.

God's wonderful Word is His very heart to us His people. God desires for us not just to know His Word but to apply it also. It is in the practical application of His truth, the renewed mind walk, that we manifest the multitude of benefits and blessings in our lives.

It is not the amount of head knowledge that a person has that really counts but rather the living of it. An individual may know a great deal of God's Word and still not walk on it for each person is responsible for what they do with their life. The fault never lies with God or His truth but rather with the decision of the individual.

The instruction from God to His people has always been to walk according to His Word because God knows the way all the time. Man does not.

Jeremiah 10:23:

O Lord, I know that the way of man is not in himself: it is not in man that walketh to direct his steps.

Proverbs 16:9:

A man's heart deviseth his way: but the Lord directeth his steps.

As we walk according to God's direction we can not only be assured that we are headed in the right way but we can be confident that each step is on firm footing.

Psalms 18:33:

He maketh my feet like hinds' feet, and setteth me upon my high places.

Walking on God's Word allows us to be constantly walking in the light which is far better than being lost and stumbling in the dark.

Ephesians 5:8:

For ye were sometimes darkness, but now are ye light in the Lord: walk as children of light.

How enlightened our lives become as we walk according to the truth! Should there be any question as to why God wants us to walk the way of His Word? The benefits are obvious throughout God's Word and so should be our decision for each step of our lives.
