

May Grapevine

Dear Men and Women of God:

May God's Word be magnified unto you this day in the name of Jesus Christ.

Our goal is Word Over the World. God has been gracious to allow us to be a part of the greatest quest of all mankind. There is no greater goal, there is no greater challenge, there is nothing that can compare to our calling.

I am spiritually proud to work with you as we continue to move ahead with our eyes on this great goal of Word Over the World.

Nothing can stop the power and love of God. As long as we continue to remain faithful to the simplicity of God's Word, we will continue to grow and abound in victory after victory.

It all started with 12 men on the day of Pentecost. They stood faithful. The Word of God moved! Years later, Acts 19:20 states:

"So mightily grew the Word of God and prevailed."

We are now headed towards the same results in our day and time. We are all instrumental in achieving God's desire of Word Over the World.

We will be cerebrating Pentecost on May 25. Let's really celebrate! Let's renew our commitment to greater believing and trust in God's Word.

With God, we cannot fail. We are moving the Word Over the World.

May your life of believing God cause a significant thrust to the Body of Christ to move the Word Over the World.

In God's victory,

Steve Strzepek
