Dearly Beloved Believers,

Greetings and God's absolute best to each of you in the power-filled name of Jesus Christ!

This month we will celebrate the birthday of the Church, which is Pentecost. On that most historic day God poured out His gift of holy spirit and twelve men were born again for the very first time and evidenced that new birth by speaking in tongues. The pure sounds of perfect prayer echoed through the temple as the Spirit gave them utterance and they spoke the wonderful works of God!

Since that time, it has been available for any and all to partake of that free gift and to be filled to overflowing by believing and acting on God's Word. Just as every believer has the right to stand firmly on resurrection ground, so each believer has the privilege to walk in Pentecost power, the new birth. Not a day should go by that the power of the new birth is not manifested by the believer. It is this manifested power that gives us the ability to live the more than abundant life. It is in manifesting this power that makes us more than conquerors in our walk and it is by evidencing Pentecost power that we show and enjoy our completeness in Christ.

God desires each of His children to have His best in every area of life, but this can only be true if that son or daughter operates the power that will bring that profit and benefit.

I Corinthians 12:7:

But the manifestation of the Spirit is given to every man to profit withal.

Just as the power of Pentecost changed lives and the world in the first century, so will that same power change our lives and our world as this magnificent power is manifested forth. Let's walk out with fearless confidence and make the power of Pentecost known each day of our lives!

Powerfully yours in Christ,

David S. Daniels
