Dear Connecticut Believer:

God bless you in the wonderful name of Jesus Christ.

Believing works every moment of every day. We are today what we are because of our believing, and we will be tomorrow where our believing takes us. Right believing for any man or woman is to apply the principles of God's Word in every aspect of life.

A knowledge of God's Word alone will not bring the abundant blessings of God to one's life any more than a knowledge of how to build a house will build a house. Action must be taken upon the knowledge to bring about the true purpose of the knowledge, which is to have the desired results.

The proper application of the principles of God's Word on abundant sharing will bring material and spiritual abundance to anyone who desires and believes. The proper application of prayer in a believer's life will bring great results from God. Reading and studying God's Word will bring fantastic results to the individual. Holding forth God's Word brings great joy, excitement and fulfillment to any individual who wills to speak with believing. Loving and caring for the household with open-hearted giving brings great joy and builds the unity of the family. The doing of God's Word by any individual results in greater knowledge and understanding of God's Word with greater insight, perception and spiritual sharpness.

It is what we do with what we know that counts. Believing is a verb. A verb connotes action. It's our actions that bring the results, not just our knowledge.

I love each and every one of you, and God loves you even more. My heart's desire is that each and every one of God's children walks in great abundance, joy and fruitful outreach of God's Word. I encourage you to act more on God's matchless Word so that the abundant reality of God's grace and goodness will increase in your life.

John 7:16,17:

Jesus answered them, and said, My doctrine is not mine, but his that sent me.

If any man will do his will, he shall know of the doctrine, whether it be of God, or whether I speak of myself.

In His love and unity,
