Dearest Believers of Connecticut:

God's blessings to each and all of you in and through the wonderful name of Jesus Christ our savior!

I want to again express my thanks to you for making it possible for me to participate in the Biblical Research Tour of the Bible Lands. It was an incredible time of learning and I am looking forward to being able to share some of it with you in the weeks and months to come.

Perhaps the greatest thing I felt in my innermost being during the tour was a deep thankfulness for what Jesus Christ accomplished for us during his ministry. At the same time I was also very thankful for the uniqueness of our ministry which again scored another "first" in the planning and execution of this tour. As always, the Word was the focal point and it was presented beautifully in quantity and quality.

There is no other ministry on the face of this earth that has and stands for the truth of God's Word like the Way International. Just sitting through the foundational class should be proof enough for anyone with eyes to see and ears to hear. Then when you add all the other classes, publications, activities, programs, the Way Tree structure and the heart of the Board of Trustees there can be no doubt that our ministry is blessed and guided by God.

To have no doubts means to be committed and we should be committed to standing with the ministry that has taught and continues to teach us the accuracy of God's Word. We should support it by our prayers and by our abundant sharing. We should stand with it by getting 100% behind every decision made by our President and Trustees and by freely availing ourselves of all that it offers to us as believers. Where else could we possibly go that could offer us what we enjoy in the Way ministry?

Let's continue to be thankful to God for our ministry and for His blessing in all that we do.

Colossians 3:17

And whatsoever ye do in word or deed, do all in the name of the Lord Jesus, giving thanks to God and the Father by him.

I love you and anticipate seeing you around the state.

In His love and service,

Dave
