*Happy 38th
Anniversary*

Dear Beloved of Connecticut:

God bless you in the powerful and precious name of our lord and savior, Jesus Christ.

This month marks the 38th Anniversary of The Way International, our precious ministry. We have so much to be thankful for. Our lives have been beautifully changed by the Word of God which has been made available and taught by The Way International. It is indeed a time to rejoice because of the Word of God which lives today because of the stand of faithful men and women who have served us the Bread of Life.

My heart is overflowing with thankfulness for the stand of our beloved father in the Word, Dr. Victor Paul Wierwille. He stood when nobody else would. He worked, loved and believed so that God's precious Word would fill our hearts and lives today. In the early years of the ministry, there was no one around to encourage him and pat him on the back. He stood because of what God's Word said. He believed the Word of God to be true, contrary to all the traditions and speculations of his time. I'm also very thankful for the men and women that heard the Word and have stood faithful with this ministry. It is men and women standing on the Word that make the Word live - men and women like you.

Most of all, I am thankful to our heavenly Father and His wonderful son, Jesus Christ. It is by God's grace and mercy that we can know the mystery in 1980. It is by God's grace and mercy that we have been called to hold and guard the mystery. It is truly a great privilege and honor to stand with our ministry and the accuracy of God's Word it represents.

I exhort you to take heed to the accuracy of the Word of God which this ministry has made available to us.

I Timothy 4:16

Take heed unto thyself, and unto the doctrine; continue in them: for in doing this thou shalt both save [make whole] thyself, and them that hear thee.

Take full advantage of the precious knowledge of God's Word that He has made available to us. Hide it deep within your heart. Hold it fast! Stand! Make an extra effort this month to study God's Word more than you ever have before.

Your response to "Your Call to Service" will be in proportion to the amount of God's Word that lives in your heart and mind. Search the treasures of God's Word. It is life, strength and health.

In His Service,

Steve Strzepek
