# *October Grapevine*

Dearest Connecticut Believer:

God bless you this promised filled day, in the name of our lord Jesus Christ.

This month of October is a special time of celebration for our family of The Way International. October 4 marks the date for our 39th Anniversary of speaking God's Word. This date also launches us into the start of our 40th year of Biblical research, teaching and fellowship. We have alot to celebrate and be thankful for.

The God-breathed Word is sounding out throughout our state of Connecticut. Men and women are rising up to the level of God's Word. We are finding the proper doctrine, reproof and correction from God's Word to bring us to new heights of God's love and power.

The citizens of Connecticut are hungry for God's Word. The temperature of believing is rising. Our Twigs are being filled with people seeking an accurate knowledge of God. God is calling us all to rise up and take the lead to help the hungry souls He's called out of darkness and into the light.

The Word of God gives us all we need to respond to this challenge. It makes us throughly furnished unto all good works. We need not lack anything. Rise up o men and women of God, and take heed to the calling.

Our Anniversary classes on Power for Abundant Living will be starting across the whole state of Connecticut on October 5th. What a fantastic way to celebrate our 39th Anniversary. Let's move onward and upward, bringing God's love and truth back to our land.

Rev. Ralph Dubofsky, the Trunk coordinator for The Way of the U.S.A., will be in Connecticut on October 14th. Why not bring a friend, a fellow employee or a relative to hear God's Word taught with great power and love.

I love you very much. Let's take it to the top in October with God's Word.

In His love,

Steve Strzepak
