## HOW I GOT HERE!

"Four days ago, I didn't have the money I needed to come to LIVING VICTORIOUSLY. I had been praying with a friend that he would sell his car, because he wanted to give the money to someone who had a need. Just before we left, the car was sold, and I found out that I was the one he wanted to give the money to. It was my greatest desire to come to LIVING VICTORIOUSLY to see the heart of The Way International and meet the believers from all over the world, and now I'm here." *Gerry Kennedy (Ireland)*

"I am a PASMO Ambassador in Valparaiso, Chile. Before going out as a PASMO Ambassador, I decided that this would be the best year of my life. I had a lot of peace and joy because I knew that God would give me the desires of my heart. To be here at LIVING VICTORIOUSLY is one of the ways that God did that. The money to be here came unexpectedly. . . . But I never doubted that God loved me and that He was able to get me here."

*Marcela Pincheira (Valparaiso, Chile)*

"We flew from Dublin to New York then to Dayton. Then we got picked up by the bus and brought here. It is great seeing the heart of the ministry and great care and concern, preparation and planning for the people."

*Ronan Le Noac'h (Ireland)*

## OPENING PRAYER

Monday, June 20, 1982

Each day LIVING VICTORIOUSLY begins with flag raising and a prayer by Dr. Wierwille.

Father, on this Monday morning of June 21st, I lift up my heart to you in thanksgiving for the safety and rest of the past night and this, the light of a new day.

I thank you for this, another day of life for all of your sons and daughters who are here for the LIVING VICTORIOUSLY class.

Father, your abundant GRACE has been so in evidence, in, among and around us, that all of us open our hearts to you with thanksgiving with all our being. Father,

everything we are or ever hope to be we know is due to your great grace. Thank you for making us into who and what we are today. Thank you for blessing your people all over the world this day because you are our God of grace. We love you with all our hearts. Thank you.

Amen.

## Making History

The Witnessing and Undershepherding Teaching Series begins this morning with Rev. Vince Finnegan, Worldwide Outreach coordinator. Other teachers include Rev. Donnie Fugit, who developed the original Witnessing and Undershepherding seminar for our ministry, and Rev. Ralph Dubofsky, Trunk coordinator for The Way of the U.S.A.

One of the most exciting aspects of this series is that it will be videotaped for use on the field as a brand new Advanced Studies class. "Although the original class was wonderful for that time," Rev. Finnegan said, "there is a real need in the ministry for more light on the subject. Witnessing is a very important aspect of the believer's walk and is greatly misunderstood. We are excited about adding more insight to this very important subject."

## The 40th Anniversary Torches

The 40th Anniversary torches at the top of the insignias at the entrance to The Way Big Top Auditorium symbolize the heart of our ministry's 40 years of Biblical research, teaching and fellowship.

At the foundation of our ministry is the Word of God which is the will of God.

The mantle represents the transfer of leadership responsibility involved in the inauguration of a new president for The Way International on October 3, 1982.

The torches represent both the light of God's Word, which we manifest as we live victoriously, and the victory that is ours in Christ Jesus.

There are two laurel branches with forty leaves each, representing growth and victory. With two sets of forty, our victory is established.

The torches were lit the opening night of LIVING VICTORIOUSLY by Dr. Donald E. Wierwille and Howard R. Allen, Trustees of The Way International, and will burn continuously throughout the class.

## A Letter Home

Dear folks,

Wait till you see what Dr. Wierwille gave to us the opening night of LIVING VICTORIOUSLY! It's so precious I won't even try to describe it to you; you'll have to see for yourself. But it's something we'll treasure always as a memento of these two weeks, and maybe even pass on to our kids some day when we try to tell them about how the "old folks" once went to this history-making class.

The awesome amount of detailed, precise planning behind every aspect of LIVING VICTORIOUSLY makes us stand in awe at the love of God activating all the teachers, sign painters, electricians, cooks, servers, bless patrol and all other workers here. No detail has been overlooked to bless the 8,000 individual students as much as possible. We are SO thankful to God for the people of this ministry.

It took me about a day, but I'm finally realizing this is NOT the Rock of Ages (I'm glad we're going to THAT, too). But this really is a class, requiring daily prayer, study, thought, sharing and rest for both body and soul. We're doing our utmost to "retain" so we can "release" to you later.

You are in our prayers.

Love,

*Pete*
