What Did He Say?

Three cheers for our Translations Department for translating each class session and event in The Way Big Top Auditorium into French, German and Spanish.

The mammoth task of adapting what is said in English sometimes becomes humorous, as it did Tuesday afternoon during "Afternoon Update," when the news script called for Frank Herron to refer to LIVING VICTORIOUSLY as "Living Vicariously."

Those tuned into Spanish headphones heard Frank's blunder as "Living as a Vicar," while the French translation had Frank referring to this two-week class as "Living Viciously." We sure are glad that Alison Heaney set the record straight, because in any language, we are LIVING VICTORIOUSLY!

OPENING PRAYER

Sunday, June 27, 1982

Each day LIVING VICTORIOUSLY begins with flag raising and a prayer by Dr. Wierwille.

Almighty God our Father in heaven and upon earth, on this Sunday, June 27th, we stand before you with thanksgiving in our hearts for the great love wherewith you loved us in Christ Jesus. We thank you for your constant support, for supplying all of our need, and above all, defending the living reality of your Word to the ends of the world. Lord God almighty, I thank you for your face being turned and shining upon your people, for having heard my prayer, that the living reality of the Word worldwide, may be reached. I shall continue to seek thy face, Oh Lord, that all the ends of the world shall remember and turn unto thee and all the kindreds of the nations worship before thee. In the name of your Son Jesus Christ. Amen.

"You can move the Word over your world and I can move the Word over my world. Together we can move the Word over the world."

Why Not Give Your All?

Rev. Ralph Dubofsky, Rev. Bo Reahard and Rev. Vince Finnegan brought to completion the teachings on the first day of our Word Over the World—Living Victoriously Weekend Saturday in The Way Big Top Auditorium.

Rev. Finnegan capped off the trio of teachings with an exhortation to each of us to live according to the victory to which God has called us. Highlights follow:

"We are here because we are citizens in the heavenlies. We must be united. Why not behave as citizens of the heavenlies?"

"Why not get so rooted in the Word that you stand 100 percent?"

"We can be as one spiritually because we all have that one spirit, God in Christ in you."

"We must do it together. And that means you. You are a part of a family. And that means a responsibility in that family."

"The Devil cannot stop us if we stand together. Word over the world will happen."

"Try to empty yourself out every day and watch how God fills you up again."

"There is no answer to 'Why not?' but 'Here am I. Send me.' That should be the answer of every believer present."

A Letter Home

Dear Folks,

I'm going WOW. Bet you thought you'd never hear that from me, huh? I sure have been a holdout.

This class, and this weekend right now in particular, did it. Saturday, everywhere I turned, whether it was toward the Big Top Auditorium stage, or to the woman behind me in the dining-tent line, or the guy waiting for a shower with me, I saw lives that glowed with radiant spiritual health. And they always turned out to be WOW Vets.

I know God put those people in my path just as much as He put this whole class into my life. No one who is here will ever be the same again. It's like being initiated into something bigger than we ever saw before—WE ARE moving God's Word over the inhabited earth—NOW!

Today we are learning even more about worldwide outreach. Someone said there are more than 400 believers from other nations here. Many of them will be on stage today, building our believing to see God's Word living everywhere.

Thanks for your prayers for all of us,

Pete
